What does the *Catechism* say about...?

Happy 25th Birthday *Catechism of the Catholic Church!*

“31. Why are the formulas of faith important?”

The formulas of faith (a.k.a. the language of faith) are important because they permit one to express, assimilate, celebrate, and share together with other the truths of the faith through a common language.”

Summary of paragraph 170-171 of the *Catechism* as found in the *Compendium of the Catechism of the Catholic Church*.
