What does the Catechism say about...?

Happy 25th Birthday Catechism of the Catholic Church!

“124. In what condition was the body of Christ while it lay in the tomb?”

Christ underwent a real death and a true burial. However, the power of God preserved his body from corruption.

125. What is the ‘hell’ into which Jesus descended?”

This ‘hell’ was different from the *hell* of the damned. It was the state of all those, righteous and evil, who died before Christ. With his soul united to his divine Person Jesus went down to the just in hell who were awaiting their Redeemer so they could enter at last into the vision of God. When he had conquered by his death both death and the devil ‘who has the power of death’ (Hebrews 2:14), he freed the just who looked forward to the Redeemer and opened for them the gates of heaven.

126. What place does the Resurrection of Christ occupy in our faith?”

The Resurrection of Jesus is the crowning truth of our faith in Christ and represents along with his cross an essential part of the Paschal Mystery.

127. What are the signs that bear witness to the Resurrection of Jesus?”

Along with the essential sign of the empty tomb, the Resurrection of Jesus is witnessed to by the women who first encountered Christ and proclaimed him to the Apostles. Jesus then ‘appeared to Cephas [Peter], and then to the twelve. The he appeared to more than five hundred brethren at one time’ (1 Corinthians 15:5-6) and to others as well. The Apostles could not have invented the story of the resurrection since it seemed impossible to them. As a matter of fact, Jesus himself upbraided them for their unbelief.”

Summary of paragraphs 624-644 and 656-657 of the *Catechism* as found in the *Compendium of the Catechism of the Catholic Church*.
